

Chai & Chat

A sequel to the GrowThru in Harmony Festival, this event is in response to the current Political, Cultural and Socio-economic landscape, promoting a further divide between 'Haves and Haves not'. Greatly impacted by this, are the Communities of color, those displaced from their countries of origin, or have disadvantaged socio-economic and health inequities. Namely, Indigenous, Refugees/Immigrants, People of color, People with disabilities and mental illnesses, LGBTQ+2 and Seniors.

Event details:

12 - 2 pm: Four, 25-minute rotating workshops.

2.10 - 4 pm: 15 minutes of presentation/performance by four Artists/Speakers, 10-minute talkback with the audience.

4-5 pm: Community Dinner and networking.

In addition, vendors from our target communities will offer their unique cultural crafts.
