

JESZENNE TURNER
Stage Manager

Jeszenee (Jazz) Tayon Turner has just finished getting her Bachelors in Acting and is excited to be back in her hometown doing what she loves.

Jazz started as an intern with Roshni in the senior year of High school and now after finishing her undergraduate Bachelors in Arts with major in Theatre studies is an actor, instructor and stage manager for the show.

Her passion as she is discovering is uncovering various aspects of theatre, including, Make-up, costume design, music and learning to manage a cast that comes from diverse backgrounds. She has previously acted in Aly & Genie, (2022) Confluence (2024) and is excited to be an ensemble for Route 15.

Route 15 is important because it proves that "Time does not merely heal wounds; it can patiently forge the spirit until you are strong enough to maul the very chains that once held you back."

BRIAN MILLER
Set and Light design

Brian Miller - Technical Director/Lighting Designer has been an active member of the Colorado Theater community for almost thirty years, with more than 650 design credits during that time.

He has received five Henry Awards nominations, and won the award twice for his work. He proudly serves on the Board of Directors Theatre Guild.

He is delighted to help launch this new venue here at Roshni!
